DO. No. 34-6/2/2024-TRANS (MOP)

नई दिल्ली - 110001

18<sup>th</sup> Nov, 2024

NEW DELHI - 110001

I am writing this in reference to implementation of Inter-State Transmission Scheme (ISTS) "Transmission System for Evacuation of Power from Potential Renewable Energy Zone in Khavda area of Gujarat under Phase IV (7 GW), Part C" by Khavda IV C Power Transmission Limited, a subsidiary of M/s. Sterlite Grid 38 Limited. This project is scheduled to be completed within 24 months and consists of 1 Substation at Boisar and 4 transmission lines (List of elements is enclosed at Annexure).

2. This project shall play a pivotal role in supplying reliable power to State of Maharashtra by RE evacuation from State of Gujarat and in strengthening the economy and empowering the local community. It will significantly enhance the energy infrastructure in Maharashtra, by meeting the state's growing energy demands and serving key load centers, particularly in the Mumbai Metropolitan Region (MMR) and Pune.

3. As different elements of this project will be set up in the State of Maharashtra, support of State Government, in terms of timely resolution of Right of Way (RoW), Land issues, Statutory Clearances and Forest / Wildlife Clearances etc., would be required by the Khavda IV C Power Transmission Limited (Project Developer), so that the project is completed within the schedule time. Details of works in the Districts involved are attached as Annexure.

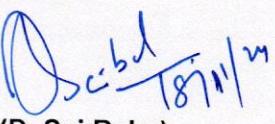

4. It is requested to please direct the officers concerned to extend requisite support to the Project Developer, as and when required, in order to ensure timely completion of the project.

Yours sincerely,

  
(D. Sai Baba)

Ms. Sujata Saunik, IAS  
Chief Secretary,  
Government of Maharashtra,  
CS Office, Main Building, Mantralaya,  
6th Floor, Madame Cama Road,  
Mumbai-400032, Maharashtra  
Copy for necessary action:

1. Chairperson, CEA, New Delhi
2. Additional Chief Secretary, Energy, Govt. of Maharashtra, Hongkong Bnak Building,  
M.G. Road, Fort, Mumbai – 400001, Maharashtra

  
(D. Sai Baba)

**Under this scheme, followings transmission lines and substation are being implemented:**

- (i) 765/400 kV, 4x1500 MVA & 400/220 kV, 2x500 MVA GIS Substation at Boisar-II.
- (ii) 765 kV South Olpad (GIS) – Boisar-II (GIS) D/c Transmission line.
- (iii) 400 kV Boisar-II (Sec-II) – Velgaon (MH) D/c Transmission line.
- (iv) LILO of Babhaleswar – Padghe (M) 400 kV D/c Transmission line at Boisar-II (Sec-I)
- (v) LILO of Navsari (New) – Padghe (PG) Transmission line at Boisar-II

**District wise work details:**

S.N.	District	Scope of work
1.	Palghar, Maharashtra	<ul style="list-style-type: none"><li>• Boisar-II GIS substation.</li><li>• ~85 kms of 765 kV &amp; ~80 kms of 400 kV transmission line</li></ul>
2.	Thane, Maharashtra	~74 kms of 400kV transmission line
